We hope that you had a restful and enjoyable break. We are delighted to welcome all our learners and families back for the start of Term 2.

We look forward to a productive and exciting term filled with learning, growth, and memorable experiences.

School Hours Reminder

A gentle reminder that school hours remain as follows:

- **Arrival:** 07:30, to start at 07:45
- **School ends:**
  - Grade 1 - 2 at 13:30
  - Grade 3 and up - 14:00
- **LUX College Office Hours:** 07:00 - 15:00.
- ***Please note,*** *all parents must please report to reception first for enquiries and payments.*

Punctuality and attendance

Maintaining a consistent routine is essential for ensuring our learners start their day calmly and maximise their instructional time. To support this, we ask that all learners arrive promptly.

- **Late arrivals:** Any learner arriving after the start of the school day must report to the reception office to sign in and update the registers. Please note that three consecutive late arrivals will result in a scheduled community service session on a Friday.
- **Dismissal and supervision:** Please ensure learners are collected promptly at the end of the school day. Staff supervision in the waiting area concludes at 14:30.
- **Absences and assessments:** If a learner is absent for a scheduled assessment, a valid supporting document (such as a doctor's note) is required to ensure they are eligible for a make-up opportunity.

Welcome

We would also like to welcome our newest staff addition, Teacher Daniella. We are so excited to have her on board!

School uniform

We have noticed that a number of learners have not been arriving at school in the correct school uniform. We kindly ask parents to ensure that all learners are dressed appropriately each day.

Wearing the correct uniform is important as it promotes a sense of pride, belonging, and unity within our school community. It also helps to create a focused learning environment, reduces distractions, and ensures that all learners are treated equally. We appreciate your support in helping us maintain our school standards.

School Concert Production

We are very excited about our upcoming school concert, Aladdin, which will take place in August (date and time to be confirmed).

Our learners have already started preparing, and rehearsals will continue throughout the term. This is always a highlight of the school year, and we encourage full participation and enthusiasm from all learners.

Assessments and Exams

Exam schedules will be sent home shortly. Please keep an eye out for these and support your child in preparing ahead of time.

After the exams, learners will still be required to come to school as they will be starting with Term 3 work and assessments. Learners will also have concert practice during this time.

Letters for Eisteddfod entries have been sent home and need to be returned. Finalized dates will be communicated as soon as we receive them.

Study Tips for Success

To help learners perform to the best of their ability, here are a few helpful study tips:

- Encourage daily revision rather than last-minute cramming.
- Create a quiet, organised study space at home.
- Break work into smaller, manageable sections.
- Ensure your child gets enough sleep and eats well.
- Encourage reading every day.

Consistency and routine make a significant difference in building confidence and understanding.

Fun & Themed Days

We have some exciting themed and fun days planned for this term! These will be communicated in advance, and we encourage learners to participate and enjoy these special moments. These days help build school spirit and create lasting memories.

Riddle Time...

Riddle #1
I have hands but I can't clap.
I tell you something but I never talk.
What am I?

Riddle #2
What has to be broken before you can use it?

Riddle #3
I am full of words, but I never speak.
I can take you places, but I never leave the room.
What am I?
